"It's time for bed," said mama.
So Five little monkeys washed their faces,
Brushed their teeth and put their pj's on.
They kissed their mama and said, "Goodnight."
But guess what happened then...

Five little monkeys jumped on the bed.
One fell off and bumped her head.
Mama called the doctor and the doctor said,
"No more monkeys jumping on the bed!"

Four little monkeys jumped on the bed.
One fell off and bumped his head.
Mama called the doctor and the doctor said,
"No more monkeys jumping on the bed!"

Three little monkeys jumped on the bed.
One fell off and bumped her head.
Mama called the doctor and the doctor said,
"No more monkeys jumping on the bed!"

Two little monkeys jumped on the bed.
One fell off and bumped his head.
Mama called the doctor and the doctor said,
"No more monkeys jumping on the bed!"

One little monkey jumped on the bed.
She fell off and bumped her head.
Mama called the doctor and the doctor said,
"No more monkeys jumping on the bed!"

So one by one they fell asleep
Each having the same wonderful dream
That in the morning their mama had bought them...
The biggest trampoline!
