

Storytime Anytime!

Theme Song

Dream big and explore our world. Storytime Anytime! Hey!

A music and adventure swirl. Storytime Anytime! Hey!

Hike in the forest and swim in the sea.

Meet silly creatures and learn new things.

Sing great songs travel on a train.

Build a skyscraper and pilot a plane.

Whatever you imagine whatever you explore
on this magical journey there will always be more.

Make new friends. Come on, don't be shy.

Let's get a kite and we'll fly, fly, fly.

Whatever you imagine whatever you explore
on this magical journey there will always be more.

Storytime Anytime! Hey
