

I Love You More! ep. 8

OPENING THEME

Kim: Hi and welcome back to another exciting episode of Storytime...Anytime! I'm so excited about today's show because we have a special guest with us. Let me introduce you to my daughter.

Bailey: Hi everyone! I'm Bailey and I'm excited to be here.

Kim: When Bailey was a little girl, we used to play a little game at bedtime. It was part of our nightly routine after snack time, bath time...reading books together...well you get the picture. Remember Bailey?

Bailey: Yes, I do, Mama!

Kim: One of us would start the game and say: I Love you...with the other one quickly saying

Bailey: I Love You, more!

Kim: Yes! That's what we would do. Then we would start giving some examples.....like...
I love you more than all the chocolate sprinkles on my ice-cream sundae.

Bailey: I love you more than all the stars up in the sky.

Kim: I love you more than all the grains of sand on the beach. And we would go on and on....

Bailey: Until you made me go to bed.

Kim: And one night, we decided to write a book because we had come up with so many different "I Love You, More" ideas. That was when you were only seven years old Bailey. It's hard to believe you are going to be 17. Anyway, I want to share with you the book that Bailey and I wrote together. We recorded it together, too, so I would remember what her sweet little voice sounded like at 7 years old. I hope you like it as much as I do.

AUDIOBOOK: I LOVE YOU MORE

Kim: At the end of the day, I used to enjoy settling down with my three children and reading some great stories. But...before that...what time was it, Bailey?

Bailey: BATH TIME!

SONG: Smelly Feet

SONG: It's Bath Time!

Kim: That was fun! Now it IS time to settle down because I want you to meet Mama Cat, Mama Raccoon, Mama Cow, Mama Mouse, Mama Horse, and Mama Bird as each loving Mama tucks her babies into bed for the night.

AUDIOBOOK: It's Night Night Time audiobook (read-along)

Kim: I love this sweet story. I think the only thing that could make it better would be to listen to the same story in an adorable song. What do you think? Take a listen.

AUDIOBOOK: It's Night Night Time audiobook (sing-along)

Kim: There's nothing like beautiful music to calm everyone before bed. "All The Pretty Little Horses" is one of my favorites.

SONG: All The Pretty Little Horses (children singing, Softly We Sing album)

Bailey: Thanks for sharing that Mama. I love you.

Kim: I love you....more!
